

**Ronald McDonald House Charities®**  
Greater Washington, DC

Keeping families close®

RMHCDC eases the hardship of children's illness on families through programs that directly improve the health and wellbeing of children.

## YOUR IMPACT

More than 191,050 nights shared with more than 19,200 families in 36 years.

“The staff made my family feel welcome. The house was clean and a nice place to be for my family during our time in need. My family is thankful [we were able to stay close to the hospital and spend as much time as we could with our son. Thank you. - 2016 Family”

children served through our programs

3  
core programs: 2 RMHs, 2 RM-FRs, 2 RMCMS

20  
miles away or farther from the hospital

0%  
government funding

## TWO FAMILY ROOMS & TWO CARE MOBILES

Our Ronald McDonald Family Rooms (RMFR) on the Hematology/Oncology floor at

Children's National Medical Center and at Inova Children's Hospital complement our partner hospitals' family-centered approach to patient care. Our RMFRs provide families a place to regroup just steps from their child and make it easier for parents to actively participate in their child's treatment plan.

RMFR volunteers also make rounds on the units with a Happy Wheels Cart full of items that make a hospital stay a little easier for kids and their families.

Our KIDS Mobile Medical Clinic/Ronald McDonald Care Mobile delivers free health care to

children (birth to 21) in DC.

Also, our second and newest Ronald McDonald Care Mobile® is home to the FITNESS (Fun in Teaching Nutrition and Exercise to Successful Students) Program. The Program partners with schools in DC, MD and VA, to deliver a curriculum focusing on healthy eating and the importance of physical activity to students in grades K-8.

## McDonald's Charity of Choice

McDonald's Family Restaurants of Greater Washington, DC have been our Foundation Partner for over 35 years.

We are most grateful for their decades of support and fundraising programs that provided 30% of our revenue this year alone. The rest of our revenue comes from generous community donations.
