The mission of the Teen Ambassador Program (TAP) is to build community awareness and support within high school students. Ronald McDonald House Charities of Greater Washington DC (RMHCDC) will connect with teens through TAP, encouraging them to take an active role in making a difference. Teens will see firsthand how the lives of our RMHCDC families with seriously ill children can be positively impacted by their efforts.

- The Teen Ambassador Program is made up of teens from the Northern Virginia area, entering grade 9 or higher from public and private schools.
- As a Teen Ambassador, you will have the opportunity to participate in various events and activities in support of RMHCDC.
- Your involvement may include providing meals for the families staying at our Houses and participating / coordinating projects or fundraising events to promote awareness of RMHCDC and its mission.
- During this time the teens will develop and strengthen skills in leadership, teamwork, responsibility and communication that will stay with them throughout their adult lives.
- Meeting new friends and having a lot of fun in the process!

The Teen Ambassador Program commitment is from September through May. Active attendance and participation in meetings are required. Meetings will be held once a month at the Northern Virginia RMHCDC House, 3312 Gallows Road, Falls Church VA 22042, which is located on the INOVA Fairfax Hospital campus.
